— I'm it!

Little old, insignificant Mountie
that I am, I'm to represent the
spirit of this superb and active
high school.

The '57 Mount

This is our school in which the students perform their daily tasks . . .

Father John Lynch, Principal; and Father John Reedy, Assistant Principal.

TO THE CLASS OF 1957:

Your Class has been a different one and I congratulate you. This one characteristic is what has made you different—you have worked together and loved one another with greater sincerity than any other class I have known at Mount Saint Joseph. And again, I congratulate you. No factions, no home room bitterness, but every one a friend of everyone else.

With graduation, your class does not disintegrate. While you will not be so closely associated with one another, you will always be the "Class of '57." My prayer for you today is that you will continue this practice of charity—accepting one another, caring what happens to one another, praying for one another, and enjoying one another's company.

Some will have it easier than others. Some will be more successful in the Eyes of God as well as in the eyes of men. Some will marry, some will dedicate themselves to God and the service of His Church. All of these things are in the Hands of God. No matter what happens to any one of you, however, all of you have in St. Joseph a Patron, a Model, and a Protector. Make dependence upon him the class practice. If in all things you "Go to Joseph," singularly and together, you will find on your eternal graduation day the Class of 1957 together again, all accounted for, and all rewarded with the joy only the Lord can give.

Prayerful best wishes,
FATHER LYNCH

of their principals, teachers ...*

Mr. Moore joined the Mt. St. Joseph Faculty ten years ago. Through his teaching and varied activities at the Mount, and in his state and local work in Driver Education and Student Council, he has gained the respect and admiration of Academites and those throughout the State with whom he has come in contact.

We extend our deepest appreciation to Mr. Moore for his splendid work throughout his years at the Mount.

In gratitude for his outstanding contribution to education and student life at the Academy, we fondly and respectfully dedicate the 1957 MOUNT.

On February 26, His Excellency Bishop Robert F. Joyce was installed as the sixth Bishop of our Diocese. Bishop Joyce is a native Vermonter and has lived all his life in Vermont, except for a time when he served as a chaplain in the Armed Forces. He was born in Proctor on October 7, 1896.

Bishop Joyce is the second native of the diocese to ascend the throne of the Cathedral of the Immaculate Conception in Burlington to assume the office of Chief Shepherd of the Catholics of the State of Vermont.

Bishop Joyce is a recognized church leader, and has long been active in civic, educational, and charitable work in his community and state.

HIS EXCELLENCY BISHOP EDWARD F. RYAN—R.I.P.

. . . Bishop Ryan

Early in November, we were saddened by the unexpected death of our beloved bishop.

Bishop Ryan had labored zealously in Vermont for the past eleven years.

Under Bishop Ryan's direction, splendid building programs were undertaken in many of the Catholic Communities under his charge.

We will remember in our prayers him who was so dear to us in life.

BOYS' AND GIRLS' STATE

Each year delegates to Boys' and Girls' State are chosen. They are selected by a faculty vote. The 1956-1957 delegates are pictured on this page.

Scholarship, leadership and ability are the requisites of these representatives.

While attending this memorable week at Northfield (boys) and Montpelier (girls), these student received a lasting knowledge of government procedures.

It is an unforgettable experience which instills in each person a desire to do their part in the development of their government.

St. Joseph being the Patron of our Sisters and of our School, it is a good way to show our love for him.

COACH CIOFFI

Funsi, returning to his Alma Mater, did a wonderful job in his Freshman year as head coach of football. Molding a powerful single wing offense and an equally powerful defense, he turned in an incredible four, two, one record.

Infusing plenty of spirit of the old days, Funsi coached his well-drilled lads to a 13-12 win over then-undefeated Bellows Falls.

We would also like to extend thanks to the Assistant Coach, Tony Zingale.

MANAGER BILL BURNS

Bill has been a sports manager at the Academy for four years and has done a great job in building our school spirit here at the Mount.

SECOND STRING

JOE COLUTTI
has proved to be a halfback with great speed, strength and courage. His fine ball handling in the season's games was a must for the Academy to win their victories. "Joe" a four year football star and Co-Captain of his team is going to be missed a great deal by his fans and teammates.

PAT MONDELLA
one of Academy's prize players is going to be missed by all next year. We all agree that Pat earned his title Co-Captain by his fine performance throughout the season. He made All-State and has played football four years.

JOHN GALLAGHER
a powerful tackle who showed up well all through the season, displayed great spirit offensively and defensively. "Jack" is also a four year letter man.

JOE BIOTY
a 155 lb. end, who will surely be a loss to the Mounties next year. "Max" a sturdy four year letter man has helped to decrease the losses of the Academy.

DONALD ROMANO
who is a four letter man has filled left-half position on offense and safety at defense. "Slam" we all agree has shown great ability. He'll surely be a great loss to the Academy team.

JOHN STEWART
who literally used his head during the Bellows Falls game and as a result was missed greatly by the team the rest of the season. When playing "Cuz" showed great defense as an end and great sportsmanship as a player.

JOHN CIOFFI
who is a little man with a lot of power, had a great deal to do with the victories of the Mounties this year. "Chiffi" a four year letter man has shown great spirit and ability at the Mount.

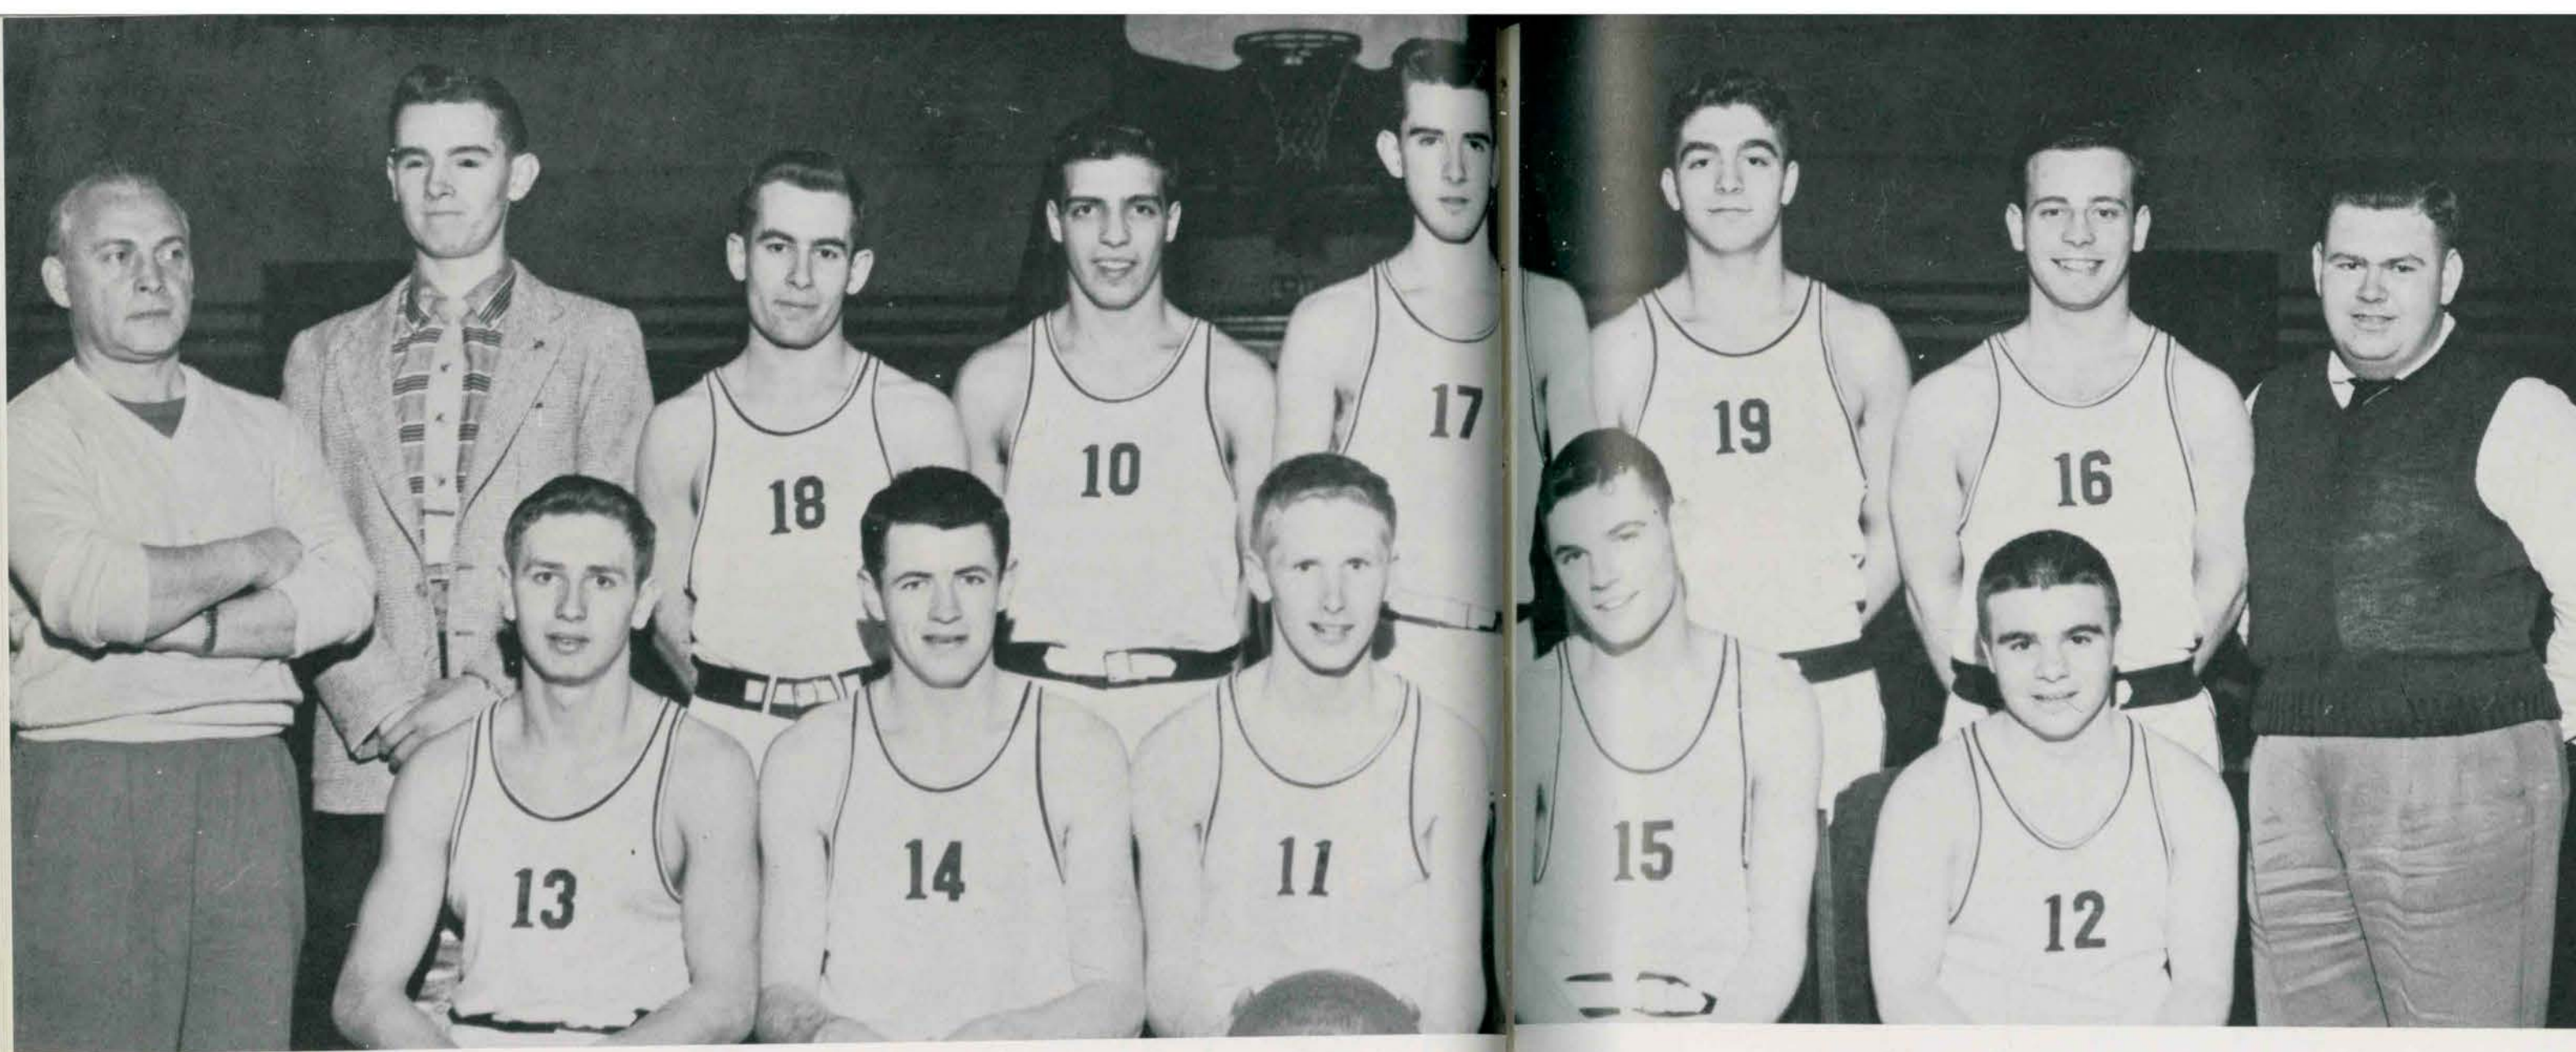

PETER TAGGETT
Although he came to us this year, he proved himself necessary to the team here at the Academy. "Pete" has made a great show on offensive as well as defensive play.

THOMAS DUFFY
a great end who has shown good defense and blocking. "Tom" will always be remembered for the great spirit he had before and after a game. He has been good in making tackles in the line of scrimmage.

JERRY BURKE
whose great size put the opponent on guard—was responsible for much of the team's spirit which helped them through.

Front row: Joseph Bioty, Thomas Duffy, Robert Kelly, Jerry Burke, John Cioffi. Second row: Coach Farrell, assistant manager, Jack Abel; Richard Taylor, Frank Flory, Edward Layden, Joseph LaFaso, George Farrell, Manager, Bill Burns.

With perseverance and teamwork we have built a winning team . . .

Mr. Farrell, our coach for the past four years, has done a splendid job in organizing a fine basketball team this year.

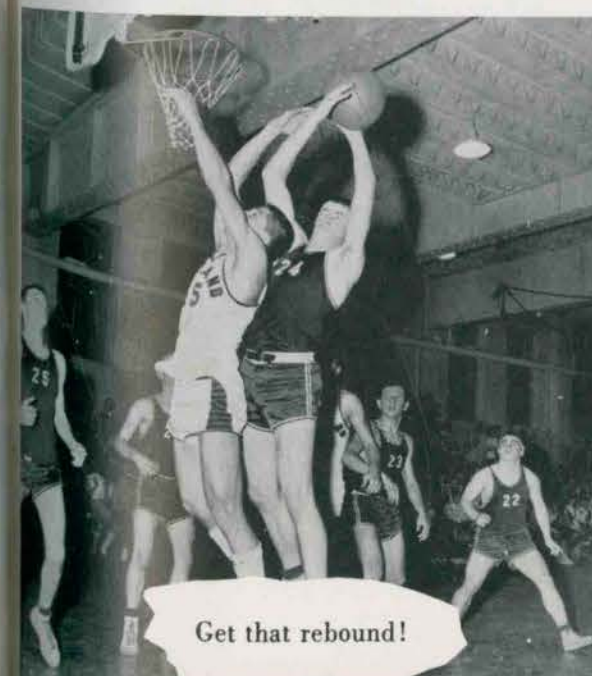

Although the team got off to a poor start, he helped them accomplish the goal of being in the Northern Vermont Tournament, in which they made a great showing.

We all hope Mr. Farrell will continue his coaching here at the Mount for many years to come.
